🎉Congratulations to all contestants, teachers and parents. I am so glad to see that the number of contestants are increasing year by year.
It is amazing that we have over 370 contestants around the globe 🌏 this year.
Also, the contestants' performances are terrific 👏🏼👏🏼. Most of them are well prepared with good technique and musical training. 👍🏼👍🏼 Moreover, we can see a great improvement this year on harp tuning and personal attire for video-recording performances.
Thank you very much for your hard work ❤️. Look forward to see your performances again next year. 🎶🎶🎶
